

The Newcomers Guide to Elementary Education in Alberta

The Grasslands School Division has prepared a series of guides to help newcomer families understand the Alberta school system. Topics include educational policy, teaching approaches, report cards, school procedures and parental communication and involvement. They are available in translation. Access the preferred language by clicking on the links below.

Learning Together – Public Education in Alberta

The Alberta Teachers Association has prepared a guide which provides information on Alberta's public education system. It has been translated into 13 languages: Chinese, French, Hindi, Korean, Punjabi, Russian, Spanish, Tagalog, Thai, Ukranian, Urdu, and Vietnamese. This 7 page guide is free of charge and available by order from the ATA by visiting their publication page.
